Prayer Time:

Spend at least 45 minutes of dedicated prayer this week. (Set the time aside in your schedule.) Spend equal amount of time thanking God for His goodness, faithfulness, mercy, word, and love; equal time praying in other tongues; and equal time praying with your understanding – listen to what the Holy Spirit wants to say to you. *As you spend your time in prayer this week also ask Holy Spirit what He wants you to ask Him for/about. Then, obey.

Prayer Points/Focus:

Because I want to know You, who You are, Your thoughts, Your ways, Your reasons, and Your goals – Holy Spirit, I'm allowing you to overturn my thoughts and ideas, and replace them with your truth – the truth of Your word and what You want for me and Your people. Teach me, Holy Spirit, what Your word means and what is in Your heart so that I may walk with You in all things.

List 3 things that stood out to you about the covered lessons:

1.)

2.)

3.)

Reflection: Listen to hear what Holy Spirit is saying to you about these 3 things. What does He want you to know, hear, or understand?

Note: The word of God is a mirror for us to see our own reflection before God (not to scrutinize anyone else or their "failure"). Whenever standing in the mirror of the word of God and reflecting on yourself and your life, Holy Spirit should be with you. Holy Spirit will teach you what He is saying, how to understand the information, how to analyze it, interpret the information that He is giving you and correctly arrive at His desired destination of growth or correction/conclusion. He will also show you how to apply it correctly in your life so that you see, know, and understand the truth and are subsequently made free. **DO NOT relive your or anyone else's past – it's under the Blood of Jesus!**
